

# Aaron Meisner

---

- CONTACT      a.meisner@berkeley.edu  
<http://aaronmeisner.com>
- AFFILIATION      **Berkeley Center for Cosmological Physics**, Berkeley, CA
- EDUCATION      **Harvard University**, Cambridge, MA      9/2010–5/2015  
Ph.D., Physics  
• Thesis Title: *Full-sky, High-resolution Maps of Interstellar Dust*  
• Thesis Advisor: Douglas Finkbeiner
- Stanford University**, Stanford, CA      9/2006–6/2010  
B.S., Physics with Distinction, Departmental Honors, Concentration in Astrophysics  
• Thesis Title: *Imaging Redshift Estimates for Gamma-ray BL Lacertae Objects*  
• Thesis Advisor: Roger Romani
- AWARDS      Builder – Dark Energy Spectroscopic Instrument (2018)  
                    NASA Hubble Fellowship (2018)  
                    NSF Astronomy and Astrophysics Postdoctoral Fellowship (2018, declined)  
                    [Forbes 30 Under 30 - Science \(2018\)](#)  
                    National Science Foundation Graduate Research Fellowship (2013-2015)  
                    National Defense Science and Engineering Graduate Fellowship (2010-2013)  
                    American Astronomical Society Chambliss Astronomy Achievement Award (2010)  
                    Harvard Physics Purcell Fellowship (2010)  
                    Stanford Jeffrey Willick Memorial Award, “outstanding scholarship in astrophysics” (2010)  
                    Stanford University President’s Award for Academic Excellence in the Freshman Year (2007)  
                    Robert C. Byrd Honors Scholarship (2006–2010)
